Re: Sponsorship Opportunities

This is your invitation to support students in the Lake Elsinore Unified School District as we include in our fundraising efforts; a Pledge Drive, allowing donors to directly contribute towards scholarships locally. Due to the Coronavirus Pandemic we are unsure of safely hosting an event in 2021 but our plans to raise funds does not end. We are inviting you to consider becoming a direct sponsor to our Scholarship Fund, so together; we can continue to support higher learning.

Please remember that all monies raised go directly to aide in providing much needed scholarships for our local community and seniors within the LEUSD.

Sponsorship levels vary from \$100 to \$3,000. You can contribute to the Scholarship Fund or sponsor students as a direct Scholarship Sponsor. For each one thousand dollar donation; one student receives a scholarship.

As a contributor to the Scholarship Fund you'll be listed on our website and as a direct Scholarship Sponsor you may also participate in the Scholarship Awards Night as each local high school hosts an awards night for seniors. We are given the opportunity to present our scholarships directly to the students and you will be invited (optional) to assist.

We encourage you to visit our website at www.levelf.org for more information on our organization and our programs. We hope you'll consider joining our team of sponsors and be part of supporting higher learning. We look forward to hearing from you soon!

Sincerely,

Lake Elsinore Valley Education Foundation
